### SABBITICAL GATHERING

The April gathering will take place on Saturday the 8<sup>th</sup> from 10:00 am to noon. We will hike the trail to the Caravan hermitage and marvel at the wildflowers! Let's meet down Canyon Road at the white sign before the road that leads to the Caravan. If you have 4-wheel drive, you can park there. Otherwise, park above the hill on Canyon Road and walk down. Hope to see some of you there!
