FEBRUARY 2023

CARAVAN HERMITAGE

We will begin scheduling sojourners for the new hermitage beginning February 17!

Please visit our website for more information. This more remote hermitage will require the following of sojourners:

- Ability to walk for 15 minutes up a wash carrying your provisions.
- A minimum stay of 2 nights

Sabbatical Gathering

The February gathering will take place on Saturday the 11th from 10:00 am to noon. Destination unknown as of this mailing but we will gather at the white parking sign down Canyon Road. Hope to see some of you there!

“Sojourn is an environment and when I’m honest with myself I realize I am here to receive, to submit and if all goes well, unconditionally surrender. There is no other way. I can make all the ‘efforts’ I so desire, whether in attitude or action but only when I surrender am I capable of receiving what solitude will offer.”
