Sabbatical Gathering

Saturday, November 11, 10:00 am - Noon

We will revisit the lovely little slot canyon near the Corbett Center, an easy hike. Let's gather at Hot Springs Wash near my home and take a leisurely walk up the wash to the slot canyon. Park above the hill and walk down or there are two vehicle spots near my home.

This unique piece of earth is threatened by the construction of a new power transmission corridor in the San Pedro River Valley when viable routes already exist.
